

## GRADES-4

For each of the following sets of grades, do the following:

- a. Find the mean, median, mode, and midrange.
- b. Use the frequency distribution from *grades-1*, and find the mean of the grouped data.

1. 55, 62, 63, 66, 67, 69, 71, 71, 73, 74, 75, 78, 79, 85, 87, 88, 89, 92, 92, 99

2. 54, 56, 63, 72, 73, 75, 76, 77, 78, 81, 81, 89, 91, 92, 95, 95, 95, 96, 97, 98
