**Saturn enters
Aries
5/24/2025**

When Saturn leaves Pisces for Aries, people want to build the structures they've been dreaming about. And as Saturn and Neptune become conjunct, old structures will dissolve as new social movements emerge.

So, this is just some food for thought on the upcoming exact conjunction of Saturn and Neptune. However, there are several other important, related topics that need to be discussed in conjunction (no pun intended) with this and which I'll address in some other short videos. Among these topics are:

- Trump's birth chart and the inauguration chart for Trump's second term, and the impact of the Saturn/Neptune conjunction on Trump
- The Impact of the Saturn/Neptune conjunction on America.
- The impact of the Saturn/Neptune conjunction on Russia.
- The impact of the enduring Uranus/Neptune/Pluto minor grand trine on the world.
- The Uranus/Pluto synodic cycle and the upcoming five Uranus/Pluto trines.
- A quick note on Pluto out-of-bounds and the Barbault Planetary Cycle Index.
