Trump's chart also contains an unusual number of 11th harmonic angles, angles that are multiples of about 32.7 degrees. For this reason, the 11th harmonic chart is likely to be very descriptive of him. People who resonate to the 11th harmonic are often restless and eager to get something done.

When we look at Trump's 11th harmonic chart, we see that it is dominated by oppositions. This is why so many of his relationships with others are transactional. He sees everything in terms of himself versus everyone else, and so he wounds (Chiron) others in order to get leverage over them before negotiating.

Trump's plan to disrupt existing patterns in the government may indeed be partially successful and enhance his own status while also improving the economy and foreign relations. This could ameliorate other negative indications for the economy or simply improve his personal finances.

The Saturn/Neptune conjunction will deliver a glancing blow by opposition to Trump's natal Neptune. This could result in an increase in lies, delusions, or conspiracy theories. Also, 8th House topics such as death, transformation, and other people's resources could be emphasized.

Trump and the 1989 Saturn/Neptune conjunctions

All three 1989 conjunctions of Saturn and Neptune fell within Trump's 5th House, and Neptune influences his 7th & 8th Houses. During this time, Trump (1) divorced Ivana while having an affair with Marla, (2) went into debt to build the Trump Taj Mahal Casino, and (3) met Jeffrey Epstein.

SUMMARY

Trump's second term as president will:

- **Be powerful, for good or ill, and likely enhance his own status**
- **Be disruptive, for good or ill**
- **Dismantle many current structures in government**
- **Be characterized by a fair amount of disinformation**
- **Likely cause wounding to workers, trade with other countries, and relationships with foreign allies**
- **Likely cause anger and insecurity among many people as Trump wages “war” on American soil**
- **Nonetheless, have some notable successes in achieving Trump's objectives**
- **Additionally, the Saturn/Neptune conjunction could bring up 2nd, 6th, 7th, 8th, or 11th House issues for Trump and/or result in an increase in delusional thinking**
