WHAT DO WE EXPECT FROM THE URANUS/NEPTUNE/PLUTO DOUBLE SEXTILE TRINE?

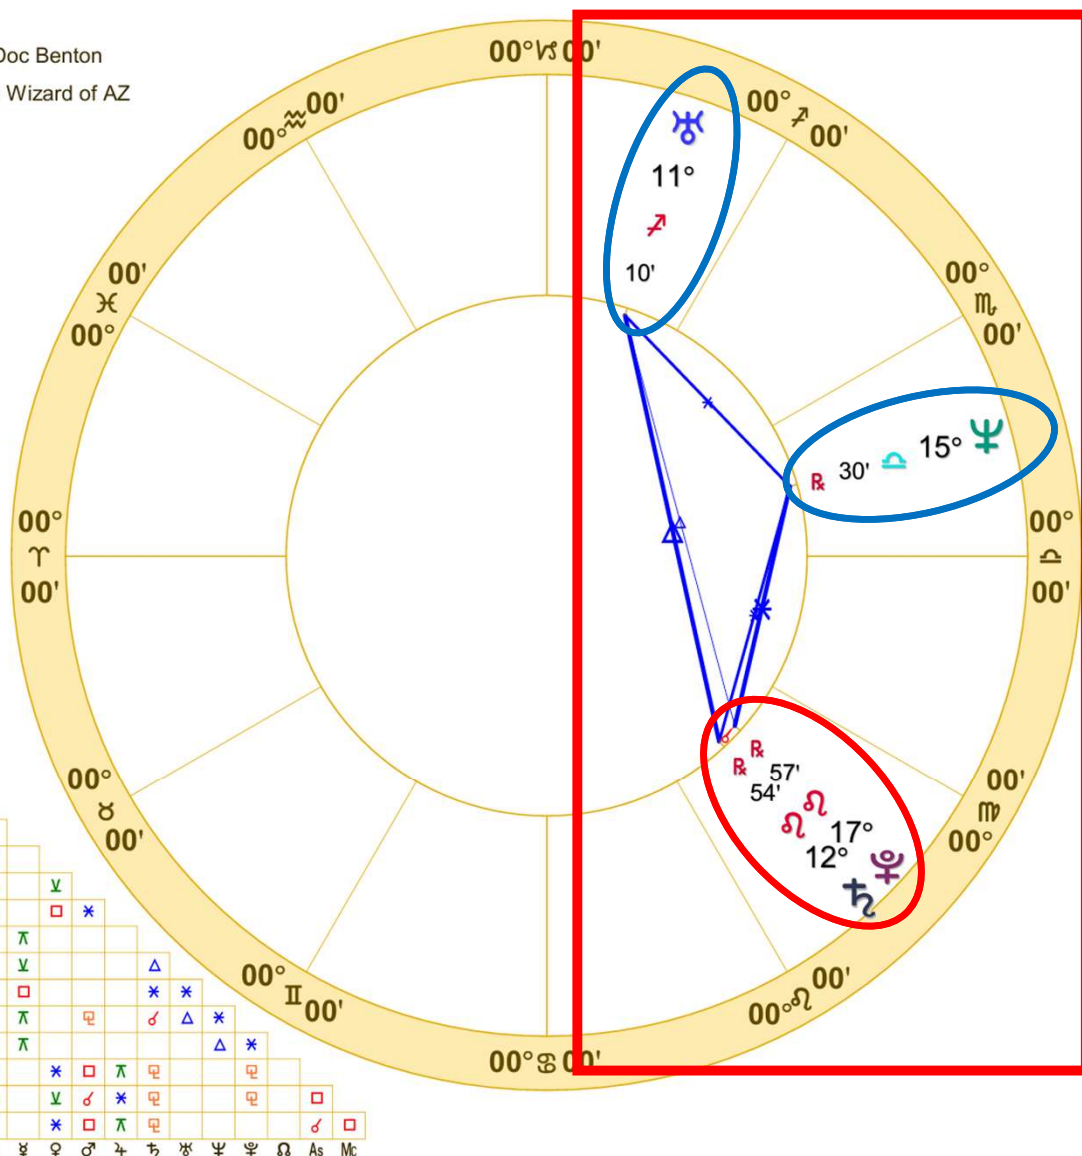

**(URANUS IN GEMINI, NEPTUNE IN ARIES,
PLUTO IN AQUARIUS)**

- **Some individuals will experience greater enlightenment.**
- **Most people will find themselves at least opening up to new perspectives and a more global or cosmic point of view.**
- **Rapid growth of AI, quantum computing, bio-technology, and information technology (Pluto in Aquarius).**
- **Explosion of inventions and creative thought (Uranus in Gemini).**
- **New visions being brought into physical reality (Neptune in Aries).**

- A similar Uranus/Neptune/Pluto double sextile trine happened in 476 CE which saw the fall of the Western Roman Empire and the beginning of the Middle Ages in Europe.
- In 476 CE, Aryabhata was born. He was the first great mathematician/astronomer of the classical age of Indian mathematics and astronomy.
- The first Shinto shrines appeared in Japan in 478 CE.

January 29, 476

The previous cycle of Uranus/Neptune/Pluto minor grand trines that lasted for a few years began in January of 476 CE with Saturn conjunct Pluto. Thus, it's not surprising that this cycle was followed for 500 years by the Dark Ages.

The current cycle of strong minor grand trines involving Uranus, Neptune, and Pluto that will last off-and-on for a few years began in the summer of 2025. However, unlike the cycle that began with a Saturn/Pluto conjunction in 426 CE, this one begins with a Saturn/Neptune conjunction.

Consequently, it is expected that the impetus for structures to be dissolved and replaced will be energized by this configuration and may last for several years. In particular, invention (Gemini) and new technologies and rebellion (Aquarius) may drive the events that follow.

The Most Harmonious Day of the Century 7/21/2026

On July 21, 2026, the Uranus/Neptune/Pluto minor grand trine will be joined by several other harmonious aspects to produce what might be the best day of the century.

Doc Benton
The Wizard of AZ

577-574 BCE

This is reminiscent of a period of conjunctions long ago that were followed by the birth of Taoism, Confucianism, Buddhism, Greek philosophy, the Upanishads, and the writing of the Torah.
