Saturn conjunct Venus in Pisces in the 11th House.

This mirrors the same 11th House conjunction that Trump has in his natal chart and Venus rules Trump's 10th House. Hence, this is another sign that Trump's power will likely increase. Also, Pisces suggests he will try to turn his dreams or fanatasies into reality.

- A sextile between transiting Jupiter and natal Chiron brought a sense of healing and higher joy to people in late April as various tariffs were reduced or postponed.
- A square between Jupiter and Neptune has resulted in what may be unrealistic optimism in early May.
- Later in May, transiting Jupiter sextile the natal Midheaven may enhance America's or Trump's Status once again, and a transiting Jupiter sextile to natal Venus in June may make people feel like spending.
